*"The biggest benefit to having my own Sparkle Wash franchise is the time flexibility it gives me. I am able to adjust my schedule to meet my family's needs. The money is good too, I can't argue with that. I had business booked even before I picked up my truck.*

*The Sparkle Wash support network is very good. When I have a problem I always get the answer I need. Sparkle Wash also provides ongoing training and special training seminars. Every year they hold an annual meeting where everyone gets together to talk and share new ideas. These events have always been helpful and have contributed to my success."*
